《地理電子學習教材套：氣候變化》2.0版

Geography E-Learning Package about Climate Change Version 2.0

本項目由薺色園主辦可觀自然教育中心暨天文台館與香港天文台合作編製，並由優質教育基金電子學習配套計劃資助。教材套不僅更新及優化數據內容、強化教學資源，更融入電子學習元素，將抽象概念化為互動體驗，並透過多元化的學界研習活動，成功將學習延伸至課堂外，建立融匯知識與實踐的教學體驗。

This project is a collaborative effort between the **Ho Koon Nature Education cum Astronomical Centre (sponsored by Sik Sik Yuen)** and the **Hong Kong Observatory**, funded by the **Quality Education Fund e-Learning Ancillary Facilities Programme**. The teaching kit not only offers optimised data content and enriched educational resources but also integrates e-learning elements to transform abstract concepts into interactive experiences. Through diverse academic activities, it successfully extends learning beyond the classroom, creating an educational experience that bridges knowledge and practice.

釐清氣候迷思
Clarifying Climate Myths

強化教學資源
